Kia ora,

Invitation to Community Drop-in: To explore the Aokautere Extension Project, a proposed extension of Te Rere Hau Windfarm into the Ernslaw forestry block

We're pleased to invite you to attend one of three community drop-ins, where you can find out more about our proposal to extend Te Rere Hau Windfarm into the Ernslaw forestry block (the Aokautere Extension Project).

You can read about this project on our website: www.nzwindfarms.co.nz/extension

We will have key members of our project team available on the phone and online throughout these hui, including specialists in landscape, visual, noise and ecological assessments, so you can have specific questions answered directly. We'll also summarise the next steps for our resource consent application.

We value the interactions we have had with many of you to date and look forward to meeting you again at one of our drop-ins.

Where and when

We are holding three drop-ins at different local locations and times, to make it as easy as possible for you to come and meet us:

**Palmerston North
Community Leisure Centre**
569 Ferguson Street
Tuesday 8 August
4pm-7pm

Carolines Creative Interiors
613 Fitzherbert East Road
Wednesday 9 August
3pm-6pm

Russell Room, Massey University
Wharerata Building
Main Drive
(see map overleaf)
Thursday 10 August
3pm-6pm

We will have light refreshments available.

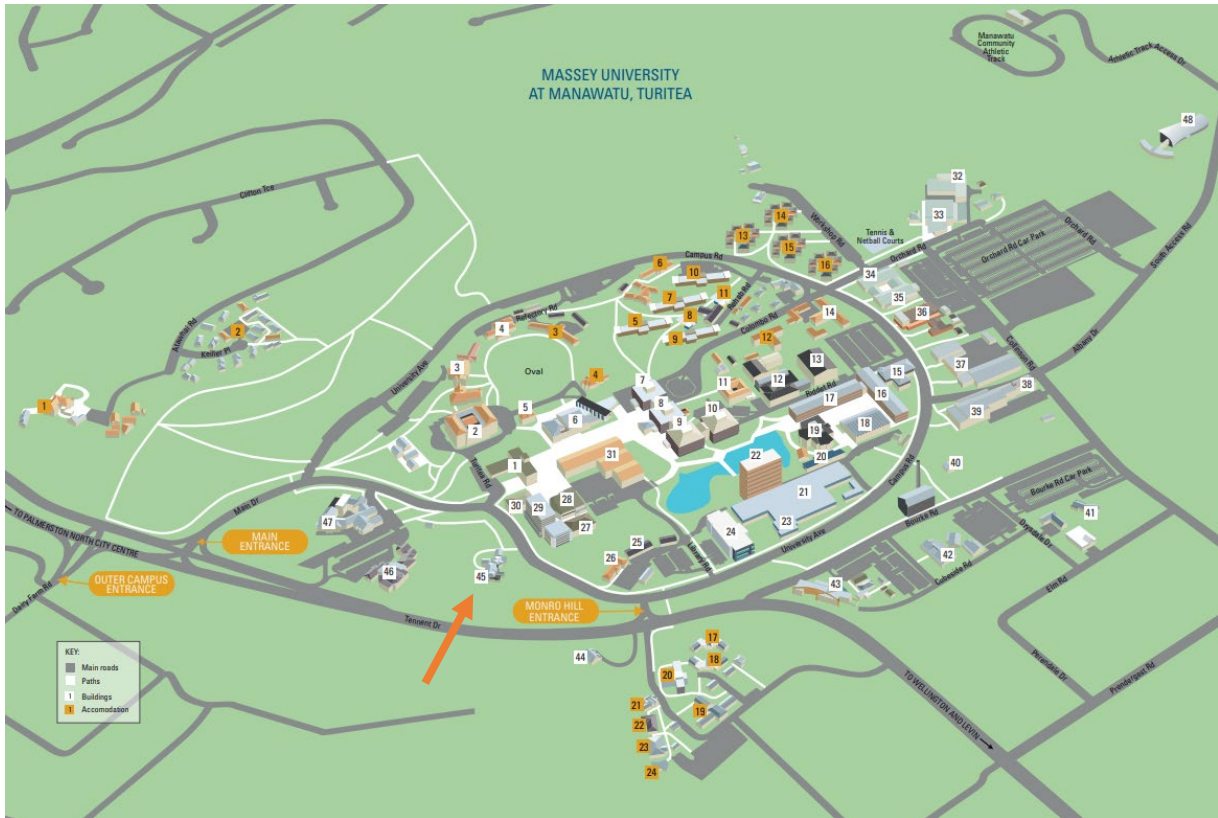

There is no need to RSVP. We're keeping it casual to encourage as many community members as possible to attend.

If you have any questions at all, even if you're not able to attend a drop-in, you can email us at extension@nzwindfarms.co.nz. For more information about Te Rere Hau wind farm and the Aokautere Extension Project, please visit our website here: www.nzwindfarms.co.nz/extension

Warm regards

Warren Koia
Chief Executive

Russell Room is in Building 45 (Wharerata), Massey University
